

# MEET THE TEACHER

My name is Mrs Dadswell and I am going to be your Year 3 teacher. Pilton Bluecoat is a really special school, you are made to feel part of a family. It is a welcoming school, where everyone is valued and cared for.

My favourite things about Year 3 are sharing lots of wonderful books with you, our **BIG** topic learning, making new friends, house competitions and seeing you become more grown up! I will tell you more about this in September.

Are you ready for a great year?

## My Favourites...
