

Dear Parents

We are delighted to be able to again offer a range of free and paid afterschool clubs this term. Please find the timetable of what is available below.

**All** children will need to apply for the clubs which they are interested in even if they had a space last term, there is no guarantee of a space this term. We try and give all children a chance at trying out an after-school club. So, if your child went to Art Club something that has only a small number of spaces there is a likelihood your child will not get a space this term unless not many children request Art Club which I am sure will be very popular like last term.

Please make sure you check the **year group** and the **date** of the club for your child.

**Tennis Club & Goal Getters** - We understand some people have already signed up for tennis directly with DTA as you are wanting to continue from last term but please indicate this on the form below. The club's allocation for Tennis will be done on first to fill out forms and to make payment will receive an allocated place. We will send home a booking form for your child with payment details. These two clubs are paid for in advance for the whole term so please do make sure your child is happy to commit to the whole 10-11 weeks.

**Art Club** - Is a paid club and charged at £2.00 per session and is paid in advance this will be set up on Arbor for you to make payment before the club starts. If payment is not made we will offer the space to another child. You will be informed when this is on Arbor if your child has been allocated a place this term.

**Karate Club** - Will also be running still and Aaron will send out information for this soon. It will still be on a Monday afterschool if your child is keen.

If your child is interested in joining any of these clubs for this term, then please complete the attached slip and return it to school by **Friday 21<sup>st</sup> April**.

You will then receive an email informing you if your child has a space by **Thursday 27<sup>th</sup> April** at the latest. We do not always guarantee your child will have a space in any of the clubs but we do our best to make sure your child gets at least one of the clubs they have shown interest in.

We aim for **all** clubs to hopefully start week commencing **2<sup>nd</sup> May** some may start earlier so it is important that all forms are back in promptly to allow the allocation to take place and your child to not miss out.

Our teaching staff give up their free time to run these clubs. If your child decides they no longer or cannot continue then please let us know as most clubs will tend to have a waiting list.

If any parent feels that they could offer an afterschool club, then we would love to hear from you regarding any ideas you may have or time you can give. We can never have to many clubs.

Kind Regards
