

Dear Parent/guardian,

We are pleased to once again offer a variety of free and paid after-school clubs this term. Below, you'll find the timetable detailing the available options.

All children must apply for their chosen clubs, but please note that spaces are not guaranteed. With over 250 pupils and typically around 200 children interested in joining a club, we do our best to ensure every child has the opportunity to participate at some point during the academic year.

Before applying, please check the year group requirements and the club dates to ensure they align with your child's schedule.

While we cannot guarantee a place in any club, we do our best to ensure each child is offered at least one of their chosen clubs. However, this is subject to availability. We aim for all clubs to start **the week commencing 28th April**, though some may begin earlier. To facilitate a smooth allocation process and avoid your child missing out, please return forms promptly.

Our teaching staff kindly volunteer their time to run these clubs. If your child is unable to continue attending a club, please let us know as soon as possible, as many clubs operate a waiting list.

We also welcome parental involvement! If you are interested in running an after-school club or have any ideas to offer, we would love to hear from you. There can never be too many clubs for our pupils to enjoy.

If your child is allocated a place but is unable to attend a session, please inform us in advance. As part of our duty of care, if a child is expected but does not arrive, we will need to contact home to ensure their safety. **Please note that this information must come from a parent or guardian, not the child.**

Kind Regards
