Dear Parents/Carers

Thank you to all those who took the time to fill out the parent questionnaire relating to our new PSHE/RSE policy. Your feedback is very useful to us and we will be taking on board the comments made.

At Umberleigh Academy we believe in teaching children about healthy relationships with friends and family,

developing a good understanding of what healthy future relationships can look like. We work hard to ensure all our children are taught how to be healthy and safe in their lives and in the choices they make; this includes recognising and forming positive life sustaining relationships with others both in the real and virtual world. It has been reassuring to know that the policy has been well received and the feedback suggests there is clarity regarding the changes to the curriculum advised by the government. The overall response to the changes has been extremely positive.

Best wishes

Corrinne Smith

Swimming Lessons will not be happening as part of our Summer term this year.

Unfortunately, with COVID restrictions and pool times available we had to make the decision to not run this term.

We will hopefully be able to offer this again next year.

Life, Love & Learning to the Full

Class One are off to Rosemoor - Wednesday 12th May

KS1 children will be going on a school trip to RHS Garden Rosemoor on Wednesday 12th of May, to support our learning in science on 'Living things and their habitats'. They will be participating in the workshop 'Who lives in our garden?' They will learn about how plants need animals and animals need plants! They will high and low for the creatures in our garden and find out more about the important role they play for the plants and soil, learning about biodiversity through exploring different garden habitats.

All class one parents should have received a letter with full details of this trip and complete and return permission form, which needs to be returned by **Fri 7th May** please.

If anyone would like to purchase a Bag for Life (£6) or Tea Towel (3.50) with the children's portraits on, that we created just before Christmas, then we still have a few available.

All the children from Brumble Bees, Infants and Junior class were included on the designs!

Please let Sharon know in the school office if you would like to purchase an item.

Get Tested to Help Keep Devon Safe

As we move to the next stage of Covid-19 restrictions easing, every adult in Devon is now being encouraged to take a quick, lateral flow test for coronavirus at least twice a week to help stop the virus spreading.

Around 1 in 3 people with COVID-19 don't have any symptoms but can pass it on. Regular testing helps identify those who are likely to have the virus, unknowingly and is essential to help stop the virus spreading and to protect one another.

Getting a rapid test is fast and convenient providing a result within the hour. Anyone over 18 can now access these tests in Devon, including:

- being tested at one of our many [mobile rapid testing sites](#)
- collecting home test kits from any of our [mobile rapid testing sites](#)
- collecting home test kits from [NHS testing locations and pharmacies that are part of the Pharmacy Collect Scheme](#)
- having [home test kits from the NHS delivered to your home](#)

People with symptoms -new and continuous cough, high temperature, or change to their usual sense of taste or smell- should still immediately self-isolate and arrange a [PCR test via the NHS](#).

Test and Trace Support Payments

If you or a child needs to self-isolate, you might be able to get a Test and Trace Support payments of £500 if either:

- You have been told to self-isolate because of coronavirus (COVID-19) and you cannot work from home
- You're the parent or guardian of a child who has been told to self-isolate and you need to take time off to look after them

You must be employed or self-employed to get the payment. Further details and eligibility can be found [Test and Trace support payment \(northdevon.gov.uk\)](#)

Breakfast Club must be

Saturday 24th April through to Saturday 12th June 2021 Children's Yoga 9.15am-9.45am

This class is to inspire little ones to move and learn with fun imaginative stories and yoga exercise.

Discovery of yoga stories combine yoga poses for children that will help their growing bodies and mind.

Creative story telling children learn while acting out the stories.

The benefits of yoga go beyond just exercise - it helps children's motor skills and gives them an outlet for self expression in many different ways as well offering self calming techniques

Go Give One

Go Give One is a COVID-19 fundraising campaign with no borders. The campaign calls on everyone, everywhere to play their part in helping to vaccinate the world. Set up by the WHO Foundation, the money raised goes to an international fund called COVAX, which buys vaccines for the world, starting with those who need them the most.

For more information please see:- [Go Give One \(who.foundation\)](https://www.who.foundation/go-give-one)
