

CURRICULUM NEWSLETTER

Dear Families,

Our Summer term topic is 'Monarchs and Mayhem'.

We're excited to start work on our new topic 'Monarchs and Mayhem'. It's all about the Tudor and Stuart periods, which were times of big changes in history. We'll look at important events and figures that shaped Britain.

We'll explore how these periods affected our local area, including changes in society and daily life. We'll also understand how these times influenced governance.

One of the highlights of this term will be dressing up and reenacting the Battle of Torrington. This will give students a fun and engaging way to learn about historical events.

For more information about this topic, please check the attached knowledge organiser.

Best regards,

The Year 4 Team
