CURRICULUM NEWSLETTER

Pilton Bluecoat Academy

Dear Families,

Our Autumn term topic is 'Britain at War'.

We're excited to start work on our first topic of Year 6, 'Britain at War', which focuses on Britain's involvement in the First and Second World Wars. This project teaches children about the causes, events and consequences of each war, the influence of new inventions on warfare, how life in Great Britain was affected and the legacy of the wars in the post-war period.

The children's exploration will be enhanced by a trip to bring the topic to life. Details to follow!

For further details and resources related to this topic, please refer to the attached knowledge organiser which details some of the learning we expect to cover. Please also see below for information regarding our maths and writing learning this term.

With warm regards,

Year 6 Team
